HELP DELIVER HOPE FOR THE HOLIDAYS

There is a massive shortage of maternal healthcare services for young women across Africa. As a result approximately **2 million** women and girls suffer from obstetric fistula.

A donation of **$150** provides safe childbirth for these young women and their babies and helps prevent obstetric fistula. Don't let them give birth alone and helpless. Together we can Deliver Hope for the Holidays!

Our campaign aims to raise $15,000 to safely deliver 100 babies over the holiday period. 100% of your donation goes directly to the projects as our administration costs are met by the charity founder.

Donate today to help us raise $15,000 and we can safely deliver 100 babies over the Holiday period

DONATE ONLINE TODAY www.crowdrise.com/o/en/campaign/10-year-anniversary-campaign1
