## **Independent Auditors' Report**

Board of Directors  
Freedom From Fistula Foundation-US, Inc.  
New York, New York

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Freedom From Fistula Foundation-US, Inc. (the Foundation), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

An independent member of HLB International

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Freedom From Fistula Foundation-US, Inc. as of December 31, 2016, and its activities and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matter**

We have previously audited the Foundation's 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 23, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

FREEDOM FROM FISTULA FOUNDATION-US, INC.

**NOTES TO FINANCIAL STATEMENTS**

Years Ended December 31, 2016 and 2015

1. **Summary of significant accounting policies:**

**Organization:**

The Freedom From Fistula Foundation-US, Inc. (the "Foundation") is a not-for-profit corporation under the laws of the State of New York. The Foundation's purpose is to help women in Africa suffering from obstetric fistulas which are caused by prolonged, obstructed childbirth and lack of access to preventative maternity care. The Foundation aims to help these women by providing free surgery to those suffering from fistulas. In addition, by providing proper training to local healthcare workers as well as free maternity care, the Foundation seeks to help prevent fistulas from occurring and ensure safer childbirth practices in the future.

Ms. Ann Gloag, the Foundation's Founder (Founder), through the Gloag Foundation, has undertaken the responsibility to pay personally for all the overhead administrative and operating costs of the Foundation as a charitable, non-profit organization. Accordingly, every dollar donated to the Foundation by any other individual or entity is, and will be, applied fully in support of the mission to directly benefit those in need of fistula and material health care services. The Foundation is a service charity that provides on ground services to women in need.

**Basis of accounting:**

The financial statements of the Foundation have been presented on the accrual basis; accordingly, revenue and support is recognized when enforceable or when earned and expenses are recognized when incurred.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements as of and for the year ended December 31, 2015, from which the summarized information was derived.

**Cash:**

The Foundation maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

**NOTES TO FINANCIAL STATEMENTS**

Years Ended December 31, 2016 and 2015

1. **Summary of significant accounting policies** (continued):

**Contribution receivable:**

The Foundation continuously monitors the creditworthiness of donors and establishes an allowance for amounts that may become uncollectible in the future based on current economic trends, historical payments and bad debt write-off experience, and any specific donor related collection issues, if deemed necessary.

**Equipment:**

Equipment is stated at cost. Depreciation is being provided using straight line and accelerated methods over the estimated useful lives of the related assets for book and tax reporting purposes.

**Contributions:**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted, depending on the existence or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. All restricted contributions where the restrictions are met in the same period as received are reported as unrestricted contributions.

**Promises to give:**

Unconditional promises to give are recorded in accordance with Accounting Standards Codification No. 958-25, "Accounting for Contributions Received and Made", which requires an organization to record such promises to give as revenue when the promise is deemed to be unconditional. Accordingly, conditional promises to give are recognized as revenue only when the conditions on which they depend are substantially met and the promises become unconditional, or the contributions are received. Promises to give are recorded at net realized value if expected to be collected within one year, and at net present value if expected to be collected beyond one year. Unconditional promises to give are classified as either unrestricted or temporarily restricted, depending on the nature of donor restrictions, if any.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2016 and 2015

1. **Summary of significant accounting policies** (continued):

**Use of estimates:**

The Foundation uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

**Functional expenses:**

The Foundation allocates its expenses on a functional basis among programs and supporting services. Expenses that can be specifically identified with a program or support service are allocated directly according to their natural classifications. Other expenses that are common to several functions are allocated based on estimates made by management.

**Income taxes:**

The Foundation was incorporated in May 2011 and is exempt from federal and state income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Generally, federal and state authorities may examine the Foundation's informational tax returns three years from the date of filing.

2. **Net assets:**

Certain assets, liabilities, net assets, support, revenue and expenses of the Foundation are presented as unrestricted net assets, consisting of board designated funds or as temporarily restricted net assets based on donor restrictions. Net assets are released from restriction by incurring expenses satisfying the restricted purpose specific to the donor or when a stipulated time restriction ends.

Net assets consisted of the following:

	<b>December 31,</b>	
	<b><u>2016</u></b>	<b><u>2015</u></b>
